

SMALL works.

Supporting social enterprise
Supporting your community

Are these also your ambitions?

- + turn un(der)used spaces from liabilities into assets
- + increase wellbeing of your tenants and support a strong local community
- + support enterprise

Small Works model

**Small Works
Kings Cross**

Small Works Kings Cross

Small Works Kings Cross

Yearly output per space

- + over 500 hours of services and activities for 250 beneficiaries
- + £25,000 saved in workspace costs for start-up enterprises
- + 50 volunteer opportunities

How do you benefit?

- + no worries about space management
- + some instances reduced business rates
- + chance to learn from social innovation
- + new economic and social opportunities for your tenants: a new asset on your estate!
