FRONT OF STAND

It is important that the sketch gives details of the open front(s) of the stand, and also the orientation of the stand in relation to others.

IMPORTANT - Please Read The Following Notes:

1

All items (subject to availability) are nett on hire and provided in accordance with suppliers' terms and conditions (a copy of which is available on request), and should be insured during the show period against all risks for 3 times the rental value.

2

This diagram will be used to place all orders on your stand. Ensure you complete the diagram clearly and show all heights and dimensions for the placement of all items you have ordered. Where no drawing is received, the items may be positioned at our discretion, and re-fixing could involve additional costs.

3

Only one four way trailing outlet allowed per maximum socket load of 500w may be used. Flexible cord (round cable) should not exceed two metres.

4

Please note that in ordering electrics you may have a mains box and cable on your stand.
