Award Type	Entry Year	Entry Ref	Name	Comments	Rating
GT	2018	415/021	Lucy's Blend	Table 4: This coffee is exceptionally smooth and a real sweet treat, deep caramel and vanilla. It is full bodied and silky .	1 star
GT	2018	416/014	Change Please African Blend	Table 3: Mild aromas on the ground beans, but markedly fresh. Certainly bright and citrussy, with some spice, and light bodied. A clean, bright, lingering finish. A characterful Kenyan coffee.	1 star
GT	2018	416/013	Tom's Blend	Table 2: Initial honey sweetness but sadly very little body and extremely short lived. Hints of fruitiness but thin. The dry product has a fruity nutty aroma which is very inviting but sadly these don't carry on to the flavour.	No Award
GT	2018	416/015	Change Please Signature Blend	Table 4: This is a delicate, fruity, floral coffee. It is light and smooth. The judges felt it needed more defined, complex flavours that sing out to merit an award.	No Award

I'm incredibly proud of our partnership with [@TfL](#) and [@ChangePlease](#). The charity's coffee kiosk in Clapham Common station is helping turn the lives of homeless Londoners around, and we hope it's just the first of many more to come.
