Break Down

Shell Scheme & Space Only	Thursday 28 November	16:00 – 22:00
---------------------------	----------------------	---------------

For security reasons, exhibitors and contractors may not vacate or remove equipment and displays until after the exhibition closes. **If this does occur we will not allow you to re-exhibit at future events.**

All space only exhibitors must dismantle and clear away their stand including platforms & flooring completely.

Property not removed by 22:00 28 November may be disposed of at the discretion of the Organisers. Exhibitors and contractors will be liable for any charges thus incurred.

Exhibitors and contractors attention is drawn to the tenancy build up and break down times, which are NOT flexible. All parties are required to ensure that all stands, regardless of design, are able to be completed within those times. You should therefore ensure that sufficient crew are allocated to the construction and dismantling, so as not to compromise safety, or the European Working Time Directive.
