

Scanners & Exhibitor Badges

Visitor Data Capture – scanners

Jonas Event Technology is the official registration company, providing the leads capture devices.

Apps for accurate and simple data capture on your stand.

- Export all your leads as an Excel or CSV file directly from your online dashboard
- The Engage Scanner App is available on both Android and iOS devices
- Allows you to spend quality time with your prospective customers without worrying about collecting business cards or having to write down contact information
- Instantly View information and contact details on your device
- Add written notes, voice recordings and take photo's once their barcode has been scanned
- Data uploads via 4G or Wifi directly to your online account which can be accessed by you or your team back in the office instantly

To order please follow the link: -

<https://eventdata.uk/Forms/Form.aspx?FormRef=JET00ScannerOrderPlus&EventRef=HUKB5>

Exhibitor Badges

We will once again be capping the amount of exhibitor passes each company is allowed, depending on the size of your stand as follows:

12sqm and below	5 passes
30sqm and below	10 passes
Over 30sqm	15 passes

Use the link below to register for your exhibitor badges: -

<https://eventdata.uk/Forms/JET00ExhibitorUltimate.aspx?EventRef=HUKB5>

Please note that this link should only be used for personnel working on your stand – anyone else wishing to attend from your organisation must use your free guest link to register.

If you have any enquiries regarding exhibitor passes please contact the marketing team at marketing.housing@oceanmedia.co.uk
